

Electrical Order Form Newport Wild Seafood Weekend

One Plug-In ONLY AMPS 120 V		Vendor Cost per up-to 2001 watts	Quantity needed	AMPS	Volts	Watts	Amount
GFI 18 AMPS	Up to 2,001 Watts MAX per outlet / 2 plug-ins MAX per booth	No Fee		18 A	120 V	2,001	
<p>Anyone needing 120/208V must request and be okayed by Festival management and electrician and paid in advance! This higher wattage/voltage configuration will be extremely limited.</p> <ul style="list-style-type: none"> NO OPEN FLAME cooking equipment allowed in the Cook-Off/Market tent. Newport Fishermen's Wives is not responsible for personal damage or equipment damage due to faulty vendor cords or equipment. All vendors will be evaluated to determine the wattage or amperage being used. Variations from approved electrical cords will be changed accordingly or may be disconnected. So, please be careful to list <u>all</u> of your equipment needs on the electrical service order form. Power at this Festival is limited. Please be prepared. Each booth will have power outlet installed in booth clearly marked with your booth number. If you need more than one booth/power cord, please note on your order. You can only use what you ask for in your order. All outlets will be GFI type, make sure your equipment is compatible. Make sure your equipment is in good working condition. Faulty equipment is a safety Hazard. All faulty equipment will be disconnected. Any additional cords needed by the vendor, will be provided by the vendor All extension cords used by vendors must be the grounded type. All equipment must be (UL) approved. (No zip cord extension cords will be allowed). All extension cords must be grounded three (3) wire types for 120 V (<i>and grounded four (4) wire for 120/208V only under special circumstances worked out with the Festival Electrician</i>) applications. Teams will not be allowed to use anything else. Please call our electrical department if you have any questions: (541) 574-6315 or (541) 270-3111 <i>Payment in-full is required with vendor registration form at the time of registration. No late orders will be accepted. Power will be limited to amount of power requested and paid for ahead of time. Please calculate electrical needs carefully. Thank you for your attention to this important detail.</i>
